

## Teleflex Signs New Agreement with Amerinet for Surgical Instruments

July 23, 2014

WAYNE, Pa.--(BUSINESS WIRE)--Jul. 23, 2014-- Teleflex Incorporated (NYSE: TFX), a leading global provider of medical devices for critical care and surgery, has announced a new agreement with Amerinet, a national healthcare solutions organization, for a comprehensive range of surgical instruments. The agreement is effective June 1, 2014 through March 31, 2017.

Through this new agreement, Amerinet members will have access to an extensive line of handheld and laparoscopic surgical instruments, including well-established Pilling® and KMedic® products, at exclusive member rates.

"At Teleflex, we are committed to providing high-quality products that enhance patient outcomes and we are pleased to continue achieving that goal through our ongoing partnership with Amerinet," said John Tushar, President and General Manager, Surgical Division. "We look forward to improved provider safety and overall benefits to the health care industry that will come as a result of this collaboration."

### About Amerinet

As a leading national healthcare solutions organization, Amerinet collaborates with acute and non-acute care providers to create and deliver unique solutions through performance improvement resources, guidance and ongoing support. With better product standardization and utilization, new financial tools beyond contracting and alliances that help lower costs, raise revenue and champion quality, Amerinet enriches healthcare delivery for its members and the communities they serve.
