

Teleflex Collaborates with the AVA Foundation to Raise Awareness and Funding at the Association for Vascular Access 2014 Annual Scientific Meeting

September 2, 2014

Teleflex Trivia Challenge Supports Quality Outcomes and Safety for Patients Worldwide

WAYNE, Pa.--(BUSINESS WIRE)--Sep. 2, 2014-- Teleflex Incorporated (NYSE: TFX), a leading global provider of medical devices for critical care and surgery, and the AVA Foundation have announced that Teleflex will host a Trivia Challenge during the Association for Vascular Access Annual Scientific Meeting in National Harbor, MD, September 7-10 in order to raise awareness and funds.

Teleflex is proud to partner with the [AVA Foundation](#), which is dedicated to saving lives through risk-free vascular access. Teleflex will contribute up to \$25,000 to the AVA Foundation to help support research designed to reduce the risk of Hospital-Acquired Conditions. By playing the Teleflex trivia challenge, AVA participants can learn more about evidence-based vascular access practices, with every correct answer earning a \$5 contribution toward the \$25,000 goal.

"Partnering with AVA to support evidence-based research efforts, finding new ways to reduce complications associated with vascular access, and ultimately supporting the expanded skills of Vascular Access Specialists worldwide are goals we are committed to achieving," said Jay White, President, Vascular Division of Teleflex.

About the AVA Foundation for Education and Research

The AVA Foundation is dedicated to saving lives through risk-free vascular access. Their mission is to promote evidence-based clinical practice. They serve clinicians interested in vascular access, students of the healthcare professions, and vascular access patients and their families.
