

## Teleflex Signs Agreement with HealthTrust for Ligating Solutions

January 11, 2016

WAYNE, Pa.--(BUSINESS WIRE)--Jan. 11, 2016-- Teleflex Incorporated (NYSE: TFX), a leading global provider of medical devices for critical care and surgery, announces a new group purchasing agreement with HealthTrust. The agreement, which became effective Dec. 1, 2015, covers Teleflex's full line of manual ligation products, including the Weck® Hem-o-Lok® polymer locking system, Horizon™ Titanium Clip System, Hemoclip® Metal Clips and associated appliers.

Weck ligation products from Teleflex are designed to suit clinicians' preferences and procedural needs.

"Since the introduction of the Weck Metal Ligating Hemoclip in 1963, Teleflex has continued to work towards refining the science of closure to produce metal and polymer ligation solutions for use by surgeons around the world," said John Tushar, president and general manager of Teleflex Surgical. "We are pleased to have the opportunity to bring these solutions to HealthTrust members."

### About HealthTrust

HealthTrust (legally known as Healthtrust Purchasing Group, L.P.) is committed to strengthening provider performance and clinical excellence through an aligned membership model and the delivery of total cost management solutions, including supply chain solutions and a contract and service portfolio unparalleled in quality, scope and value.
