

## Teleflex Awarded Premier, Inc. Dialysis Agreement, Positioning Products for Future Growth

December 2, 2014

WAYNE, Pa.--(BUSINESS WIRE)--Dec. 2, 2014-- Teleflex Incorporated (NYSE: TFX), a leading global provider of medical devices for critical care and surgery, has announced it has been awarded an agreement with Premier, Inc., a leading healthcare improvement company, for its ARROW® Dialysis Access portfolio.

"We are excited to be awarded this agreement as it not only allows hospitals access to our current dialysis portfolio, but also gives them the opportunity to access future dialysis product releases, such as the ARROW-Clark™ VectorFlow™ Chronic Hemodialysis Catheter," said Linda Beneze, President and General Manager, Specialty Division. "We look forward to working with Premier to promote our broad portfolio of dialysis products."

The new Premier Dialysis Agreement will begin Nov. 1, 2014 and is a multi-supplier three year agreement. While this agreement provides access to the ARROW® Dialysis Access Product portfolio, it also includes an infusion port enhancement that offers Premier membership special pricing for the ARROW® Polysite® Low-Profile Hybrid Port product line.

### About Teleflex Incorporated

Teleflex is a leading global provider of specialty medical devices for a range of procedures in critical care and surgery. Our mission is to provide solutions that enable healthcare providers to improve outcomes and enhance patient and provider safety.
