

Teleflex Signs New Agreement with HealthTrust to Provide Comprehensive Line of Ligation Products

January 17, 2013

LIMERICK, Pa.--(BUSINESS WIRE)--Jan. 17, 2013-- Teleflex Incorporated (NYSE: TFX), a leading global provider of medical devices for critical care and surgery, has announced being awarded a new agreement for its line of ligation products with HealthTrust, a healthcare group purchasing organization.

The agreement was effective Dec. 1, 2012 and will provide HealthTrust's 1,400 hospital members access to Teleflex's comprehensive line of ligation products including reliable Weck® branded Horizon™, Auto Endo5® and Hem-o-lok® products. Weck branded products also enhance the benefit to member facilities by providing an extensive applier warranty for open and endoscopic surgical appliers.

"We are pleased to continue our relationship with HealthTrust to promote our goal of enhancing patient safety and providing superior surgical products," said Jay White, President and General Manager, Surgical Division of Teleflex. "Providing our extensive line of trusted ligation products to this group of healthcare professionals also enables us to improve provider safety, another primary focus we take seriously."
