# Allegheny Technologies Announces Webcast of Conference Call for Second Quarter 2017 Results

07/11/17

PITTSBURGH--(BUSINESS WIRE)-- Allegheny Technologies Incorporated (NYSE: ATI) will provide live Internet listening access to its conference call with investors and analysts scheduled for Tuesday, July 25, 2017 at 8:30 a.m. ET. The conference call will be conducted after the Company's planned release of second quarter 2017 results. The conference call will be broadcast, and accompanying presentation slides will be available, at ATImetals.com. To access the broadcast, go to the home page and select "Conference Call". Replay of the conference call will be available on the ATI website.

***Creating Value Thru Relentless Innovation™***

ATI is a global manufacturer of technically advanced specialty materials and complex components. With revenue of $3.2 billion for the twelve month period ending March 31, 2017, our largest market is aerospace & defense, particularly jet engines. We also have a strong presence in the oil & gas, electrical energy, medical, automotive, and other industrial markets. ATI is a market leader in manufacturing differentiated specialty alloys and forgings that require our unique manufacturing and precision machining capabilities and our innovative new product development competence. ATI produces nickel-based alloys and superalloys, titanium alloys, specialty alloys, stainless steels, and zirconium and other related alloys in many mill product forms. We also are a leader in producing nickel-based alloy and titanium-based alloy powders for use in next-generation jet engine forgings and 3D-printed products. ATIMetals.com
