Encouraging a new generation of engineers!

Bitz & Bob

you can do it too!

Join Bitz & Bob as engineering from their animated adventures is brought to life by children. Get hands on with makes and experiments designed for 5 – 7 year olds to try at home!

bitz & bob

Meet older sister, Bitz and younger brother, Bob two siblings who love making things and going on imaginative adventures with their toys.

Bitz is an inventor and engineer, who makes amazing creations with anything she can find and brings epic adventures to life through the power of her extraordinary imagination. When things go wrong, Bitz uses her 'Engineer-o-vision' to assess the situation and then come up with an awesome, inventive solution to save the day.

Can You Imagine That? is a preschool series created for kids, BY kids. This animated/live-action series lets children live out their biggest future career dreams – to become a firefighter, or a veterinarian, or a baker, or an archaeologist – by placing them within their own animated drawings and letting them tell their own story.

In each episode, the child takes centre stage as they narrate their own personal story and ultimate fantasy in their chosen career. All culminating in their own music video!

Love Monster happens to be the 'only monster' amongst a sea of cute baby animals. Even though he is very different, he is universally loved and accepted by his fellow 'Fluffytown' residents.

When they zig, he zags, and his self-awareness is what causes his little doubts. This can make for some comical missteps along the way, Love Monster discovers that when faced with a head vs. heart dilemma, in the end, his heart always knows what to do. Full of fun and adventure (and unicorns and sprinkles!)... Love Monster is guaranteed to leave your heart smiling.

Ollie is a 6 year-old with a massive imagination, often lost in his own world, flipping, sliding, climbing and rocket-blasting through the house in costume and character, practicing at being the master of all things. But even masters need to stop and refuel. When breakfast, lunch, supper and snacks interrupt Ollie's playtime, he finds himself confronted with the real challenge of childhood: trying new food.

Ollie doesn't like unfamiliar grub on the dinner table. He can't predict if it might be spicy, or smelly, or heaven forbid... green. But, when he finally gives in and tries new food – POP! He becomes what he eats, and gets that food's superpower! Sure, foods don't REALLY give you superpowers, but they do help improve eyesight, circulation, digestion and memory! Mom and Dad use those tendrils of truth to entice Ollie to try new fare.

Move over Gordon Ramsay, Joe Bastianich, and Anthony Bourdain, there are some new pint-sized culinary critics cranking up the heat on wannabe chefs and if they don't like what you're serving, you're gonna get Cook'd!

Kids are the most discerning (or some might say the pickiest) eaters in the world, so pleasing them takes real chops in the kitchen. From parents to lunch ladies, from camp cooks to kids' party caterers, is anyone ever certain they can tickle the temperamental taste buds of tweens? Testing their mettle with a mixer and their savvy with sauces will be three wannabe chefs who must please the palates of three young judges in the hopes of winning the coveted Silver Mixing Spoon – and avoiding a dunking in the vast soup pot that awaits the losers.

Mix Indiana Jones with a heaping cup of MasterChef and a dash of Jackass. Bake for 11 minutes and you've got the Food Truckers!

Three crazy friends travel the world in their souped-up, sentient food truck seeking out rare (but real) ingredients to turn into exotic (but real) meals. There's no mountain too high, desert too hot or river too wild to deter these 3 foodilicious friends from creating the most extreme dishes on earth and, of course, vlogging about it online! Stories come from physical challenges created by extreme adventuring, with plenty of comedy and slapstick along the way!

Watch young musical artists navigate the ups and downs of the music industry, as they find their way to love, inspiration, and redemption. Hearts will be broken, dreams will be dashed, and glory will be found.

Lost & Found Music Studios is a half hour tween series about a group of talented musicians who are members of an after-school music program. Each year, a select few are chosen to go on a live tour and hopeful candidates audition to fill the spots that have been made available. Members immerse themselves in music, write songs, record tracks and form bands in hopes of turning their passion into a profession!

The Next Step follows the lives of a group of dancers at The Next Step Dance Studio as they attempt to win regional, national and international dance championships.

It's not just about winning, though. It's about working together, accepting everyone for who they are, and finding their footing as these young dancers become young adults. The Next Step is a half-hour, single-camera 'Tween drama featuring an elite group of dancers whose personal lives and competitive natures sometimes get in the way of becoming the great dance squad they could be. During the course of the series, each of our characters will learn that the only way they're going to make it is to put their differences aside and find a way to work together.

On February 23rd, 2015, the cast of the Family Channel #1 hit show, "The Next Step", began an 8 week, sold-out, coast to coast tour across Canada. For the fortunate fans that had tickets to those sold out performances it was a chance to see their favourite dancers in person ... but what would it be like to have the best seat in the house and backstage pass?

We see through the eyes of the cast members, behind scenes on the tour, it's a chance to get to know the real dancers behind their characters. In a Cineplex Special Event, The Next Step Live - The Movie captures the members of the dance troupe as they travelled across the country from St John's to Victoria. The Movie is a love letter to every fan and an insight into the sweat, laughter and hard work that went into making the tour.

Action and emotion collide as a group of diverse tweens try to get their roller derby team to championships for the first time ever, all the while struggling to discover who they really are on and off the track. Pass The Star is an energetic series that follows a group of eclectic tweens who run their own roller derby team, the Shrieking Violets.

Like most tweens, these girls are still trying to find themselves in life, but when on the track trying to avoid opponents, they're forced to think fast and work collectively as a team. They're constantly tested by their personal ambitions, physical limits, clashing loyalties, and the pressure to make it to championships. Trying to find where you belong is never easy, but doing it on four wheels with an opponent trying to knock you off your skates is near impossible!

Wingin' It is a half-hour comedy about teenage "odd couple" Porter Jackson and Carl Montclair. Porter is an Angel-In-Training (AIT) who has been sent to Earth on an assignment to get his Angel wings - which proves to be everything but easy! He has to help Carl, an unlucky, trouble-plagued teen, become the most popular kid at Bennett High.

It's hard enough making anyone the most popular kid in school, let alone someone plagued with Carl's lightning rod ability to get into trouble. And if that isn't enough, Carl doesn't always want Porter helping him out. So what's an Angel to do? Maybe cheat a little. Porter figures anyone could use a little help from a guardian Angel once in a while.

Bunks is a coming-of-age comedy movie about brotherhood, leadership and the great outdoors. Brothers Dylan and Dane are being sent to military camp after accidentally setting their house on fire with a rocket they bought with their mother's credit card.

During pickup for camps, they manipulate two camp counselors into taking their places at military camp and the brothers are on their way to Camp Bushwhack. After scamming their way into summer camp, the brother find themselves breaking every rule in the book. But the real trouble starts when they accidentally trigger a curse that brings a campfire zombie story to life.

It's 1972, and a small-town girl (Vickie) is accepted into the prestigious National Ballet School and selected to play "Clara" in the Company's holiday production of The Nutcracker. Unfortunately, that's when Vickie finds out about the mysterious "Curse of Clara", which threatens to derail everything.

Thankfully, she's got a good friend, the 1972 Summit Series and an imaginary mentor (in the form of Phil Esposito) to keep her "on pointe."

The **Great Northern Candy Drop** is based on a book published by the **Canada Aviation and Space Museum** that offers insight into the community of northern Quebec.

In this animated holiday special, pilot Johnny May has flown over Kuujuaq during the holiday season for 50 years, dropping candy and other goodies for kids living in the region. He faces the biggest challenge of his long flying career when his annual Christmas candy drop fly-over is threatened by the meddling of a safety-obsessed government bureaucrat from the south who has the authority to ground him forever.
