Cautionary Statements

This document is provided to assist investors and prospective investors in evaluating FG Financial Group, Inc. (the “Company”) and may not contain all of the information that you consider necessary for an investment decision. The Company files Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which set forth risks associated with an investment in the Company, as well as Current Reports on Form 8-K, proxy statements, and other information about the Company (the “SEC Reports”), with the Securities and Exchange Commission. You may access these reports and such other information at our website, www.fgfinancial.com. This presentation is not an offer to sell or a solicitation of an offer to buy securities.

Forward-looking statements

This presentation contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). These statements are therefore entitled to the protection of the safe harbor provisions of these laws. These statements may be identified by the use of forward-looking terminology such as “anticipate,” “believe,” “budget,” “can,” “contemplate,” “continue,” “could,” “envision,” “estimate,” “expect,” “evaluate,” “forecast,” “goal,” “guidance,” “indicate,” “intend,” “likely,” “may,” “might,” “outlook,” “plan,” “possibly,” “potential,” “predict,” “probable,” “probably,” “pro-forma,” “project,” “seek,” “should,” “target,” “view,” “will,” “would,” “will be,” “will continue,” “will likely result” or the negative thereof or other variations thereon or comparable terminology. In particular, discussions and statements regarding the Company’s future business plans and initiatives are forward-looking in nature. We have based these forward-looking statements on our current assumptions, estimates, expectations, and projections. While we believe these to be reasonable, such forward-looking statements are only predictions and involve a number of risks and uncertainties, many of which are beyond our control. These and other important factors may cause our actual results, performance, or achievements to differ materially from any future results, performance or achievements expressed or implied by these forward-looking statements, and may impact our ability to implement and execute on our future business plans and initiatives. Factors that may cause actual circumstances or results to differ from our assumptions, estimates, expectations, and projections are described in the SEC Reports.
