

VACANCY

The vacancy below is now available at Dundee Precious Metals Tsumeb.

THE POSITION: MANAGER: OCCUPATIONAL HEALTH

The incumbent will report to the **Director: Environment, Social and Governance** and will be accountable for:

ROLE ACCOUNTABILITIES:

- Ensure all Legal, Health, Safety and Environment standards and policies are always adhered to.
- Lead by example through compliance with the company purpose and values.
- Develop and provide strategic input and specialist advice in line with company policies, statutory requirements and other commitments.
- Ensure that systems are in place to measure, prevent and mitigate health risks, through regular review of control effectiveness and improvement of control.
- Occupational health and hygiene management programme development and maintenance.
- Provide technical advisory support to the business on Occupational Health and Hygiene issues.
- Manage resources (Human and Financial).
- Implement and maintain the site hygiene monitoring and management programme.
- Effective stakeholder engagement and communications.

QUALIFICATIONS AND EXPERIENCE REQUIRED:

- A Grade 12 Certificate, with a minimum of 23 points.
- A Bachelor's Degree in Occupational Health, Industrial Hygiene, Occupational Medicine or related field.
- Must be registered with a Professional Body as a Hygienist or Occupational Medicine Practitioner.

- A minimum of 10 years working experience in Occupational Health, in a mining, smelting or oil and gas environment, of which 5 years should be in a supervisory capacity or professional role.
- Computer literate (Microsoft Office Package) with good PowerPoint and Microsoft Excel skills.
- Knowledge in Occupational Health and Hygiene Management, Risk Management, Health, Safety and Environment (HSE) Auditing.
- Strong project management skills coupled with excellent report writing skills.
- Code B Driver's Licence.
- Able to work under pressure, assertive and flexible.
- Robust communication and interpersonal skills.
- Must be detail oriented, with a high sense of accuracy and ability to meet deadlines.
- Strategic effectiveness, external engagement, managing change, commercial focus, operational delivery and business focused collaboration.
- Leading people, leading self and living the values of good corporate and HSE stewardship.

All applications meeting the **minimum requirements** must be accompanied by a non-returnable detailed curriculum vitae, certified copies of qualifications and identification documents (ID). Applications should clearly indicate the position being applied for and should be sent as **one PDF attachment**. Applications not adhering to these rules will not be considered.
