

UpHealth's Transformations Treatment Center Recognized as One of America's Best Addiction Treatment Centers for 2023

9/6/2023

~ 2023 Ranking Marks Third Consecutive Inclusion for Delray Beach Facility ~

DELRAY BEACH, Fla., Sept. 06, 2023 (GLOBE NEWSWIRE) -- UpHealth, Inc. ("UpHealth" or the "Company") (NYSE: UPH), a global digital health company delivering technology platforms, infrastructure and services to modernize care delivery and health management, announced the Company's Delray Beach, Florida, Transformations Treatment Center has been named one of America's Best Addiction Treatment Centers for 2023 by Newsweek <https://www.newsweek.com/rankings/americas-best-addiction-treatment-centers-2023/florida>, ranking in Florida's top ten.

Through a partnership with Statista, a market research firm, Newsweek recognizes the top addiction centers in states with the most addiction treatment centers. Survey rankings are based on medical experts and facility accreditation scores.

This inclusion marks the third year in a row that Transformations Treatment Center, an UpHealth Behavioral Company, has received this recognition. The prestigious award is a testament to the high-quality services the staff of Transformations Treatment Center provides.

UpHealth, Inc., CEO Sam Meckey said, "Being recognized by Newsweek as one of Florida's best addiction treatment centers is an honor and sets Transformations Treatment Center apart from other programs — moreover, it demonstrates the organization's commitment to continued excellence in client care."
