

NEWS RELEASE

SkyWater Technology to Present at the 28th Annual Needham Growth Conference

2026-01-05

BLOOMINGTON, Minn.--(BUSINESS WIRE)-- **SkyWater Technology** (NASDAQ: SKYT), the largest U.S.-based, pure-play semiconductor foundry, today announced that management is scheduled to participate in the 28th Annual Needham Growth Conference, taking place next week at the Lotte New York Palace.

SkyWater's fireside chat will be webcast live on Wednesday, January 14th at 1:30pm EST at the following link: <https://wsw.com/webcast/needham148/skyt/2305989>.

The presentation material utilized during the conference, as well as the live and archived webcast link of the presentation, will be made accessible on SkyWater Technology's Investor Relations page: <https://ir.skywatertechnology.com>.

About SkyWater

SkyWater Technology (NASDAQ: SKYT) is securing America's silicon foundation as the largest U.S.-based, pure-play semiconductor foundry. A trusted partner to both commercial customers and federal defense programs, SkyWater's Technology as a Service model empowers innovators to bring emerging technologies like quantum computing and next-generation systems from concept to reality. With state-of-the-art facilities in Minnesota, Florida, and Texas, SkyWater specializes in foundational nodes and advanced packaging to support the nation's critical infrastructure, strengthen supply chain resilience, and ensure long-term U.S. technology leadership. SkyWater is a DMEA-accredited Category 1A Trusted Foundry. To learn more, visit www.skywatertechnology.com.
