- take such other actions from time to time within the scope of this Charter as the Committee deems necessary or appropriate or as the Board of Directors may request.

The Company shall design its compensation policies to allow the Company to recruit and retain superior talent and create a significant direct relationship between compensation and benefit levels and the Company's performance. 3. Specific Responsibilities and Duties. The Board of Directors delegates to the Committee the express authority to undertake the following actions to the fullest extent applicable law and the Company's Amended and Restated Certificate of Incorporation and the Company's By-laws permit:

- Compensation Policies. Develop the Company's overall compensation policies, and establish performance-based incentives that support and reinforce the

Company's long-term strategic goals, organizational objectives and align the interests of the Company's officers with the interests of the Company's stockholders.

In determining the long-term incentive component of CEO compensation, the Committee shall consider the Company's performance and relative stockholder return, the value of similar incentive awards to CEOs at comparable companies and the compensation of the Company's CEO in past years.
- Other Officers. Consider and approve the compensation of the Company's other officers and establish, review and approve compensation plans in which officers are eligible to participate. Such compensation arrangements may include salary, bonus and short-term and long-term incentive plans, as the Committee deems appropriate.

Notwithstanding the foregoing, the Committee may, to the extent it deems it advisable, grant stock options, stock appreciation rights and restricted stock awards without obtaining stockholder approval.
- Board of Directors. Establish from time to time the compensation of the members of the Board of Directors and members of the committees of the Board of Directors, taking into consideration the level of director and committee member compensation for companies of comparable size and complexity.
- Annual Report. Produce an annual report on executive compensation for inclusion in the Company's proxy statement for its annual meeting of stockholders.
- Review and Publication of Charter. Review and reassess the adequacy of this Charter annually, recommend any proposed changes to the Board of Directors for approval and publish this Charter as required by applicable law and as the Committee otherwise deems advisable.

5. Meetings.
