

Data Subject Rights

Certain countries and regions provide their residents with additional rights relating to personal information. For more information on what data subject rights may be available to you, see the chart below. For more information on how Expedia Group processes your personal information, please visit the applicable Expedia Group company's website and view the privacy statement.

Expedia Group offers the following rights to all our customers:

- If you have an account with us, you may change your communication preferences by either (1) logging in and updating the information in your account (not available for all Expedia Group companies) or (2) by contacting us
- You can control our use of certain cookies by following the guidance in our Cookie Statement (please visit your preferred brand's website to access the applicable Cookie Statement)
- You can update the accuracy of your information at any time by either logging into your account or contacting us
- If you no longer wish to receive marketing and promotional emails, you may unsubscribe by clicking the 'unsubscribe' link in the email. You can also log into your account to change communication settings (not available for all Expedia Group companies) or contacting us here. Please note that if you choose to unsubscribe from or opt out of marketing emails, we may still send you important transactional and account-related messages from which you will not be able to unsubscribe
- For our mobile apps, you can view and manage notifications and preferences in the settings menus of the app and of your operating system

If we are processing your personal information on the basis of consent, you may withdraw that consent at any time by contacting us. Withdrawing your consent will not affect the lawfulness of any processing that occurred before you withdrew consent and it will not affect our processing of your personal information that is conducted in reliance on a legal basis other than consent
