Diebold Nixdorf Achieves Stable 'BB-' Rating from Fitch

2026-04-23

NORTH CANTON, Ohio, April 23, 2026 /PRNewswire/ -- Diebold Nixdorf (NYSE: DBD), a world leader in transforming the way people bank and shop, today announced Fitch Ratings, Inc. ("Fitch") has assigned the company a first-time Long-Term Issuer Default Rating of 'BB-' with a stable outlook.

Tom Timko, Diebold Nixdorf executive vice president and chief financial officer, said: "Receiving a 'BB-' rating from Fitch is another significant milestone for our company and an additional validation of our operational execution, fortress balance sheet and consistent free cash flow generation. We are very proud of our performance, remain focused on delivering long-term value to our shareholders and customers, and are pleased that Fitch has recognized our progress in strengthening our financial profile."

More information regarding Diebold Nixdorf's rating assignment can be found on Fitch's website at www.fitchratings.com.

Forward-Looking Statements

This press release may contain forward-looking statements that are not historical information and are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements give current expectations or forecasts of future events and are not guarantees of future performance. Statements can generally be identified as forward looking because they include words such as "believes," "anticipates," "expects," "intends," "plans," "will," "estimates," "potential," "target," "predict," "project," "seek," and variations thereof or "could," "should" or words of similar meaning. Statements that describe the company's future plans, objectives or goals are also forward-looking statements, which reflect the current views of the company with respect to future events and are subject to assumptions, risks and uncertainties that could cause actual results to differ materially. Although the company believes that these forward-looking statements are based upon reasonable assumptions regarding, among other things, the economy, its knowledge of its business, and key performance indicators that impact the company, these forward-looking statements involve risks, uncertainties and other factors that may cause actual results to differ materially from those expressed in or implied by the forward-looking statements. For a further discussion of these and other factors that could cause the company's future results to differ materially from any forward-looking statements, see the reports and other filings by the company with the U.S. Securities and Exchange Commission, including the company's Annual Report on Form 10-K for the year ended December 31, 2025, as filed with the SEC on February 12, 2026. Except to the extent required by applicable law or regulation, the company undertakes no obligation to update these forward-looking statements to reflect future events or circumstances or to reflect the occurrence of unanticipated events.
