Diebold Nixdorf Set to Join Russell 3000® Index

5/29/2024

NORTH CANTON, Ohio, May 29, 2024 /PRNewswire/ -- Diebold Nixdorf (NYSE: DBD), a world leader in transforming the way people bank and shop, is set to join the broad-market Russell 3000® Index at the conclusion of the 2024 Russell U.S. Indexes annual reconstitution, effective at the open of U.S. equity markets on Monday, July 1, according to a preliminary list of additions posted Friday, May 24.

The annual Russell US Indexes reconstitution captures the 4,000 largest U.S. stocks as of Tuesday, Apr. 30, ranking them by total market capitalization. Membership in the U.S. all-cap Russell 3000® Index, which remains in place for one year, means automatic inclusion in the large-cap Russell 1000® Index or small-cap Russell 2000® Index as well as the appropriate growth and value style indexes. FTSE Russell determines membership for its Russell indexes primarily by objective, market-capitalization rankings, and style attributes.

Tom Timko, Diebold Nixdorf executive vice president and chief financial officer, said: "We are pleased to be included in the Russell 3000® Index, one of the most widely cited performance benchmarks for the U.S. stock market. This milestone expands our investor base and highlights the company's recent growth as we continue serving our banking and retail customers."

Russell indexes are widely used by investment managers and institutional investors for index funds and as benchmarks for active investment strategies. According to the data as of the end of December 2023, about \$10.5 trillion in assets are benchmarked against the Russell US indexes, which belong to FTSE Russell, a prominent global index provider.
