

Diebold Nixdorf Receives Global Self-Checkout Systems Growth Excellence Leadership Award From Frost & Sullivan

July 27, 2017

NORTH CANTON, Ohio, July 27, 2017 /PRNewswire/ -- Diebold Nixdorf (NYSE: DBD), the global leader in driving connected commerce, has received the "Global Self-Checkout Systems Growth Excellence Leadership Award" from Frost & Sullivan. In recognition of its continued growth, leadership, ability to cater to multiple retailer segments, channel partnership strategies and product innovation, Frost & Sullivan analysts recognized Diebold Nixdorf as a leading retail technology provider.

"Diebold Nixdorf has leveraged its unique position in the market through decades of understanding retailer requirements with its POS solutions, cost savings and product features that enhance the customer experience," said Aravindh Vanchesan, Industry Analyst, Frost & Sullivan. "Diebold Nixdorf's brand name is associated with quality, reliability, and security. The company's close relationships with retailers worldwide enable it to better understand the regional market dynamics and adapt its products and solutions to each specific need."

Each year, Frost & Sullivan presents this award to the company that has demonstrated above-market growth and increased share of wallet due to the superiority of the company's products and services. The awarding organization considered Diebold Nixdorf's multi-pronged focus on product innovation, collaboration, security, mobility and an omnichannel approach for retail transformation.

"We are honored to receive the Global Self-Checkout Systems Growth Excellence Leadership Award," said Devora Henderson, Diebold Nixdorf vice president, retail sales, Americas. "This recognition validates our connected commerce strategy and encourages us to continue to drive the future of consumer transactions with best-in-class technology, software and services."
