

Diebold Nixdorf Again Ranked One of the World's Top 10 Technology Companies on the 2018 IDC Financial Insights FinTech Rankings

September 25, 2018

NORTH CANTON, Ohio -- Diebold Nixdorf (NYSE: DBD), a world leader in driving connected commerce, has ranked sixth among the top 100 financial technology companies on the [2018 IDC Financial Insights FinTech Rankings](#). The 15th annual ranking represents the leading software, service and hardware providers to the financial services industry from around the world. Providers are ranked based on 2017 calendar year revenue attributed to financial institutions.

To remain a top 10 financial technology provider demonstrates how Diebold Nixdorf is uniquely positioned to be at the forefront of the connected commerce world. Over the last year, the company has continued to lead the industry through innovations such as:

- **Industry-changing software:** Unlike traditional software suites available today, the [DN Vynamic™ Retail Software Suite](#) enables next generation business agility and seamless consumer experiences by integrating solutions spanning mobile devices, branches, automated teller machines, kiosks, point-of-sale terminals and stores. With a shared analytic and transaction engine, the DN Vynamic platform can generate new insights to enhance operations across any channel – putting consumer preferences, not the technology, at the heart of the experience.
- **Integrated service offerings:** Diebold Nixdorf [AllConnect ServicesSM](#) leverages the data-driven Internet of Things (IoT) infrastructure to provide financial institutions and retailers the capabilities and technology needed to make physical distribution channels agile, efficient and integrated with the digital experience.
- **Strategic collaboration:** Diebold Nixdorf strategically partners with companies like [Mastercard](#) and [ACTV8me](#) to deliver industry-defining managed solutions and transactional platforms for the banking and retail sectors.

"We congratulate Diebold Nixdorf for placing within the Top 10 on the 2018 IDC FinTech Rankings again this year," stated Karen Massey, research manager banking at IDC Financial Insights. "The momentum and commitment to the industry Diebold Nixdorf has shown highlights their success in the global financial services technology arena."
