

AMBRX BIOPHARMA INC.

CHARTER OF THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE OF THE BOARD OF DIRECTORS

PURPOSE AND POLICY

The purpose of the Nominating and Corporate Governance Committee (the “*Committee*”) of the Board of Directors (the “*Board*” or “*Directors*”) of Ambrx Biopharma Inc. (“*Ambrx*”) is to:

- help the Board oversee Ambrx’s corporate governance guidelines and develop, update as necessary and recommend to the Board the governance principles applicable to Ambrx;
- identify, evaluate and recommend and communicate with candidates qualified to become Board members or Director nominees consistent with criteria approved by the Board;
- oversee the evaluation of the Board and management; and
- make other recommendations to the Board relating to the Directors.

The “*Public Effective Date*” means the date on which Ambrx becomes a public reporting company subject to the periodic reporting requirements of the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”), and applicable rules and regulations of the U.S. Securities and Exchange Commission (the “*SEC*”).

COMPOSITION

The members of the Committee, including the Chairperson, will be appointed by and serve at the discretion of the Board. Vacancies occurring on the Committee will be filled by the Board. Resignation or removal of a Committee member from the Board for any reason will automatically constitute resignation or removal from the Committee. Before the Public Effective Date, the Committee will consist of at least one member of the Board.

Following the Public Effective Date:

- the Committee will consist of at least two members of the Board; and
- each member of the Committee will satisfy:
 - the independence requirements imposed by the SEC and the New York Stock Exchange (the “*NYSE*”), including any exceptions permitted by such requirements;
 - any other qualifications determined by the Board; and
 - any other requirements imposed by applicable law.

AUTHORITY

The Committee will have access to all Ambrx books, records, facilities and personnel as deemed necessary or appropriate by any member of the Committee. The Committee will communicate with the Board, Committee chairpersons, members of senior management, and independent professional advisors to the Board and its various committees, as appropriate. If the Committee concludes that it must retain legal, accounting, or other outside advisors, it may do so and determine compensation for those advisors

at Ambrx's expense. The Committee shall have sole authority to retain and terminate executive search firms to help identify director candidates. The Committee may also pay, at Ambrx's expense, ordinary administrative expenses it deems appropriate in carrying out its duties. The Committee will have authority to require that any of Ambrx's personnel, legal, accounting, or other outside advisors attend any meeting of the Committee or meet with any member of the Committee or any of its special, legal, accounting, or other outside advisors.

The Committee may form and delegate authority to one or more subcommittees to the extent allowed under applicable law. By delegating an issue to a subcommittee, the Committee does not surrender any authority over that issue. Although the Committee may act on any issue that has been delegated to a subcommittee, doing so will not limit or restrict future action by the subcommittee on any matters delegated to it. By approving this charter (this "*Charter*"), the Board delegates authority to the Committee with respect to these responsibilities.

RESPONSIBILITIES

The Committee's responsibilities are a guide and should remain flexible to account for changing circumstances and needs. The Committee may supplement or, unless required by law or the NYSE, deviate from its duties, as appropriate, and establish policies and procedures consistent with applicable rules and regulations. Following the Public Effective Date the Committee shall have the following responsibilities:

The Committee will also have the power and authority to establish any policies, requirements, criteria, and procedures relating to its activities, and will make recommendations to the Board regarding nominees for director at the next annual general meeting of shareholders. The Committee's power and authority includes establishing policies and procedures to facilitate shareholder communications with the Board. The Committee will also have the power and authority to make any disclosures required by applicable law in connection with the exercise of its authority.

The Committee will evaluate individual director's interests, independence, experience, qualifications and the independence and experience requirements imposed by the SEC and the NYSE and recommend to the entire Board periodically the chairmanship and membership of each committee.

4. Continuing Education. The Committee may institute plans or programs for the continuing education of Directors and orientation of new Directors, as it deems appropriate.

5. Management Succession. The Committee shall periodically review with the Chief Executive Officer of the Company the plans for succession to the offices of the Company's Chief Executive Officer and

other key executive officers and make recommendations to the Board with respect to the selection of appropriate individuals to succeed to these positions.

6. Procedures for Information Dissemination. The Committee will periodically review the processes and procedures used by Ambrx to provide information to the Board and its committees and make recommendations to the Board and management for improvement as appropriate. The Committee should consider, among other factors, the reporting channels through which the Board and its committees receive information and the level of access to outside advisors where necessary or appropriate, as well as the procedures for providing accurate, relevant and appropriately detailed information to the Board and its committees on a timely basis.

6. Other Matters.

- **Committee Self-Assessment.** The Committee will periodically evaluate its performance and the adequacy of this Charter.
- **General Authority.** The Committee will perform such other functions and have such other powers as may be necessary or appropriate for nominating and corporate governance committees under the applicable rules of the NYSE or the SEC and in complying with the policies of this Charter.

Unless otherwise directed by the Committee, each regularly scheduled meeting will conclude with an executive session that excludes members of management. From time to time, or when requested by the Board, the Chairperson of the Committee will report to the Board.

The Committee will maintain written minutes of its meeting and regularly report to the Board on its actions and recommendations. At meetings of the Committee, actions and decisions by a majority of Committee members present at the meeting will be the act or decision of the Committee. The Committee may also act by unanimous written consent; when it does so, those actions will be filed in the minute book.
