APPROVED BY THE BOARD ON SEPTEMBER 16, 2021

PURPOSE

The purpose of the Audit Committee (the “*Committee*”) of the Board of Directors (“*Board*”) of Archer Aviation Inc. (the “*Company*”) is to:

- oversee the Company’s accounting and financial reporting processes, systems of internal control, financial statement audits and the integrity of the Company’s financial statements;
- manage the selection, engagement terms, fees, qualifications, independence, and performance of the registered public accounting firms engaged as the Company’s independent outside auditors for the purpose of preparing or issuing an audit report or performing audit services (the “*Auditors*”);
- maintain and foster an open avenue of communication with the Company’s management, internal audit group and Auditors;
- review any reports or disclosures required by applicable law and stock exchange listing requirements;
- oversee the design, implementation, organization and performance of the Company’s internal audit function;
- help the Board oversee the Company’s legal and regulatory compliance, including risk assessment; and
- provide regular reports and information to the Board.

COMPOSITION

The members of the Committee, including the Chairperson, will be members of the Board appointed by, and will serve at the discretion of, the Board. Vacancies occurring on the Committee will be filled by the Board. Resignation or removal of a Committee member from the Board for any reason will automatically constitute resignation or removal from the Committee.

The Committee will consist of at least three members of the Board. Each member of the Committee will satisfy (i) the independence, financial literacy and other requirements imposed by applicable law and stock exchange listing requirements and (ii) any other qualifications determined by the Board. At least one member of the Committee will satisfy the applicable financial-sophistication requirements and any other requirement for accounting or related financial management expertise required by applicable law and stock exchange listing requirements. No member of the Committee may serve simultaneously on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee and the Company discloses such determination in its annual proxy statement.

AUTHORITY

The Committee will have access to all Company books, records, facilities and personnel as deemed necessary or appropriate by any member of the Committee. If the Committee concludes that it must retain legal, accounting or other outside advisors, it may do so and determine compensation for those advisors at the Company's expense. The Committee may also pay any ordinary administrative expenses it deems appropriate in carrying out its duties at the expense of the Company. The Committee will have authority to require that any of the Company's personnel or outside advisors attend any meeting of the Committee or meet with any member of the Committee or any of its advisors.

The Chairperson shall have the delegated authority to act on behalf of the Committee in connection with (1) approval of the retention of outside service providers and advisors (including negotiation and execution of their engagement letters), (2) preapproval of audit or permissible non-audit services, (3) reviewing with management the Company's proposed earnings press releases and other financial information and guidance regarding the Company's results of operations provided publicly or to ratings agencies, (4) approval of payment of expenses incurred by the Committee described in the previous paragraph, and (5) as may otherwise be determined by the Committee. The Committee also may form and delegate authority to one or more subcommittees consisting of one or more members of the Board (whether or not he, she or they are on the Committee) to the extent allowed under applicable law and stock exchange listing requirements. By delegating an issue to the Chairperson or a subcommittee, the Committee does not surrender any authority over that issue. Although the Committee may act on any issue that has been delegated to the Chairperson or a subcommittee, doing so will not limit or restrict future action by the Chairperson or subcommittee on any matters delegated to it. Any action or decision of the Chairperson or a subcommittee will be presented to the full Committee at its next scheduled meeting. By approving this Charter, the Board delegates authority to the Committee with respect to these responsibilities.

RESPONSIBILITIES

The Committee's responsibilities are for oversight, as described under "Purpose" above. The members of the Committee are not employees of the Company, and they do not perform management's or any Auditors' functions. The Committee relies on the expertise and knowledge of management, the internal auditors, and any Auditors in carrying out its oversight responsibilities. Management is responsible for preparing accurate and complete financial statements in accordance with generally accepted accounting principles ("GAAP"), crafting periodic reports, and establishing and maintaining appropriate accounting principles and financial reporting policies and satisfactory internal control over financial reporting. The Auditors will audit the Company's annual consolidated financial statements and, when required, the effectiveness of the Company's internal control over financial reporting and review the Company's quarterly financial statements. It is not the Committee's responsibility to prepare or certify the Company's financial statements, guarantee the audits or reports of the Auditors, certify as to whether any Auditors are "independent" under applicable law or stock exchange listing requirements, or ensure that the financial statements or periodic reports are complete and accurate, conform to GAAP, or otherwise comply with applicable law or stock exchange listing requirements or the Company's policies.

The Committee shall have the following responsibilities; *provided, however*, that this list of responsibilities is intended to be a guide and to remain flexible to account for changing circumstances and needs. Accordingly, the Committee may depart from or supplement such responsibilities, and establish policies and procedures, to the extent permitted by applicable law and stock exchange listing requirements.

the Auditors, assess their independence and qualifications, including the performance and qualifications of the lead partner (taking into account, where appropriate, the views of management and the internal auditors), determine whether to retain, and determine the fees of any Auditors and any other registered public accounting firm engaged for the financial reporting process. In addition, the Committee may replace any existing Auditors or other registered public accounting firm engaged for the financial reporting process with a different public accounting firm.

2. Approving Audit and Non-Audit Engagements. The Committee will review audit plans, the adequacy of staffing, the fees to be paid to Auditors, and oversee the negotiation and execution of any engagement letters on behalf of the Company. The Committee will oversee the rotation of the Auditors' partners on the Company's audit engagement team as required by applicable law and stock exchange listing requirements. The Committee will approve all audit and non-audit related services that the Auditors provide to the Company before the engagement begins, unless applicable law and stock exchange listing requirements allow otherwise. The Committee may establish pre-approval policies and procedures or delegate pre-approval authority to one or more Committee members as permitted by applicable law and stock exchange listing requirements.

3. Auditor Independence. Prior to engagement of any prospective Auditors, and at least annually thereafter, the Committee will assess the qualifications, performance, and independence of the Auditors, or in the case of prospective Auditors, before they are engaged. That assessment will include reviewing written disclosures from any Auditors regarding any relationships they have that may affect independence, as defined by applicable law and stock exchange listing requirements.
